Welcome to the Minnesota PGA Junior Golf 'Sota Series!

Fun. Affordable. Flexible.

OVERVIEW

The mission of the Minnesota PGA Junior Golf 'Sota Series is to provide playing opportunities for the beginning, intermediate and advanced golfers, ages 7-19. These playing opportunities will promote competition and camaraderie.

ELIGIBILITY

The 'Sota Series is open to all boys and girls ages 7-19. Juniors will be eligible to play in the Tour(s) based on their age as of August 15, 2023. Juniors who have reached their 19th birthday prior to August 15, 2023 are eligible only if it is the summer immediately following high school graduation. The Minny, Prep and Junior Tour are open to juniors of various playing abilities: beginner, intermediate, and advanced. The Players Tour is an invite only program based on the juniors play in our program the previous year or a certain handicap requirement.

'SOTA SERIES LEVELS

*Juniors will be eligible to play in the Tour(s) based on their age as of August 15, 2023.

Minny Tour: Designed for 7-12-year-olds who have little or no experience in competitive golf. Events are held on all Par-3 courses. Age divisions of 7-9 & 10-12. We do allow caddies for Minny Tour events.

Prep Tour: Designed for 7-12-year-olds who have more experience in competitive golf. These juniors will have a chance to play on 9-hole executive and regulation courses and 18-hole executive courses. Age divisions of 7-9 & 10-12. We do allow caddies for Prep Tour events.

*NOTE: Juniors ages 7-12 years old can play both the Minny and Prep Tour events.

Junior Tour: Designed for 13-19-year-olds. All events are 18-hole stroke-play competitions. This is for players who are looking to play competitive golf in a recreational environment—similar to other club-level sports. It is also a great option for those looking to play competitively in high school or may already be on a high school team. The Junior Tour is the primary pre-requisite to earn status on the Players Tour. Age divisions of 13-15 & 16-19.

*NOTE: A junior does have the option to play up on the Junior Tour if they are under the age of 13. They would need to pay the appropriate membership fee and we would need to receive a recommendation letter/email that the junior can play up on the Junior Tour. If a junior does play up on the Junior Tour they cannot play back down in Minny and Prep Tour events.

Players Tour: The Players Tour is an invitational program in which the Minnesota PGA Junior Golf Committee determines eligibility requirements. This is open to boys and girls ages 13–19. Invites are sent out to juniors based on their average score to par using their top three scores in our program from 2022 or having a certain handicap requirement.

MEMBERSHIP FEES AND BENEFITS

An annual membership fee is required to participate in the 'Sota Series. This membership will expire on December 31, 2023.

All Minny/Prep/Junior Tour events are stroke play competition. Players will be paired into age groups in boys' and girls' divisions. Your age group is determined by your age on August 15, 2023. All other players **may not** use caddies and all juniors cannot use motorized carts. NO provisions have been made for practice rounds. On tournament days, practice is restricted to designated practice areas at the discretion of the host facility. Pace of play will be strictly enforced; participants playing 18 holes should complete their round in under four and half-hours after the start of play. Players can use a pull cart if the host facility permits pull carts. It is up to each participant to check with the host facility to see if pull carts will be allowed.

SPECTATOR POLICY

The Minnesota PGA Junior Golf 'Sota Series encourages spectators and parents to attend events and requires spectators and parents attending to conduct themselves appropriately at all times.

Spectating is a privilege, not a right.

All spectators must:

Spectators and parents should not interfere with any group advancing from behind, nor should they converse with any competitor besides from encouragement and congratulatory comments.
- Turn cellular phones on silent or vibrate while on the golf course
- Please stay with the group or one shot in front of the group. If you are walking behind the group you are holding up the group behind them and might get hit into. If you are in front of the group you can help spot balls.

- Spectators are not allowed to rake bunkers for players. Only caddies and players may rake the bunkers.
- Interfere with any group on the golf course

* Please note that all spectators can assist in a search for lost golf balls, if NO advice is given.

Spectators are also permitted to carry food, beverages, umbrellas, etc., and seek the help of MN PGA Junior Golf Rules Officials.

**Interaction with competitors could be considered Advice and Other Help (Rule 10.2) and may result in penalty and/or disqualification for the competitor. The MN PGA Junior Golf 'Sota Series reserves the right to ban any spectator or spectators from one or more events.

SPECTATOR CARTS

Spectator carts may be available at the discretion of the host facility; pro shop fees may apply. Where spectator carts are permitted, all carts must remain on cart paths at all times. Where spectator carts are available they may be rented on a first-come, first-served basis. The host facility has the right to **NOT allow ANY** spectator carts at an event that run at their facility.

PLAYER POLICY

Tournament Procedures for juniors:

- Arrive at the golf course and check in at the registration table at least 20 minutes prior to the starting time.
- Each competitor must exchange scorecards with a fellow competitor in their group.
- Call out scores at the completion of each hole. Players should verify their score with each other **BEFORE** teeing off on the next hole. Also keep record of his/her own scores.
- It is the junior's responsibility to turn his/her own scorecard into the scoring area immediately following play.
- Junior needs to make sure that there are three signatures on their scorecard before turning it in.
- Failure to submit a signed scorecard could result in disqualification.
- Scorecards that have been altered (including erased scores) will be subject to review by the MN PGA Junior Golf Staff.
- Report any knowledge of cheating to a tournament official *immediately* to ensure fairness to ALL players and to preserve the spirit of the game. If an incident is not reported to an official before the tournament is over, no action can or will be taken.
- Treat fellow competitors, spectators, volunteers and golf course staff with respect!

PLAYER POLICY CONT.

Electronic Devices:

Participants are prohibited from using cell phones, personal music systems, smart watches and the like while on the course at our events. Please turn off your cell phone when you arrive at the course. This means no texting, talking or checking your cell phone for messages during play. If you are caught using any of the above devices during your stipulated round, the first offense will be a two (2) stroke penalty, the second offense will be disqualification. NOTE: You can use a smart watch/garmin if the only function that will be used is the distance measuring device.

Distance Measuring Devices Policy:

A player may obtain distance information by using a device that measures distance only. However, if, during a stipulated round, a player uses a function of a distance-measuring that is designed to gauge or measure other conditions that might affect his/her play (e.g., gradient, wind-speed, temperature, etc.) the player is in breach of Rule 4.3 (see penalty structure below). Yardage from these devices may be shared with fellow competitors and is not deemed to be advice.

Note #1: The use of phones, PDA's and hand-held devices that can serve a function other than measuring distances are not permitted to be used in any capacity.

Note #2: You can use a smart watch/garmin if the only function that will be used is the distance measuring device.

Note #3: Use of GPS yardage systems installed on golf carts is not permitted at any time. Spectators must not relay any yardage information displayed by a GPS system in a golf cart.

A player who breaches this policy will be subjected to the following penalties:

FIRST OFFENSE: Two (2) stroke penalty

SECOND OFFENSE: Disqualification

If there is a question on the legality of a certain device, it is recommended that all players contact the Minnesota PGA Junior Golf Office.

Dress Code:

Proper golf attire is required at all tournaments. Players must be neat in appearance with respect to personal grooming and clothing. T-shirts, tank tops, short shorts and blue jeans **will not** be acceptable. Each host facility may have additional rules and dress code requirements that must be adhered to by all participants.

UNREASONABLE DELAY; PROMPT PACE OF PLAY

Minnesota PGA Junior Golf does not wish to apply penalties for Unreasonable Delay; Prompt Pace of Play. However, we insist that, in the interest of all, the pace of play be reasonable. We believe that, it is reasonable for a group of four (4) players to take NO more than 15 minutes, on average, per hole. Meaning an 18-hole round should be completed in less than 4 hours and 30 minutes and a 9-hole round should be completed in less than 2 hours and 15 minutes.

Rule 5.6 of the USGA Rules of Golf encourage prompt pace of play:

- Players should recognize that their pace of play affects others and they should play promptly throughout the round (such as by preparing in advance for each stroke and moving promptly between strokes and in going to the next tee)

- A player should make a stroke in no more than 40 seconds (and usually in less time) after the player is able to play without interference or distraction

Penalty for Breach of Rule 5.6:

First Breach: One penalty stroke

Second Breach: General Penalty

Third Breach: Disqualification

UNREASONABLE DELAY; PROMPT PACE OF PLAY, CONT.

If the player unreasonably delays play between two holes, the penalty applies to the next hole.

****Minnesota PGA Junior Golf 'Sota Series** on-site administrators will be monitoring the pace of play of all groups. We sincerely request your cooperation. If all competitors will cooperate, each event will be a more pleasant experience for everyone.

DEFINITION OF OUT OF POSITION

The first group to start will be considered out of position if, at any point in the round, the group is taking more than the allotted time to play each hole as established by the Committee. Any following group will be considered out of position if they: (a) exceed the allotted time to play each hole **and** (b) reach the tee of a par 3 hole that is open and free of play, or fail to clear the tee of a par 4 hole or a par 5 hole before that hole is open and free of play.

NOTIFICATION OF PLAYERS OUT OF POSITION

Any group out of position will be notified that they are out of position and will be subject to individual timing.

TIMING OF PLAYERS OUT OF POSITION

Other than on the putting green, the timing of a competitor's stroke will begin when the player has had a reasonable opportunity to reach their ball, it is their turn to play, and they can play without interference by another player or another ball. Time spent determining yardage will count as time taken for that stroke.

On the putting green, the timing will begin after the competitor has been allowed a reasonable amount of time to lift, clean his/her ball, repair his/her ball mark and other ball marks on their line of putt and remove loose impediments on the line of the putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as time taken for that stroke.

- Pace of Play Tips -

Our goal going into the season is to educate and inform our members on ways to continually improve pace of play. We realize that there are many factors that can affect the pace of play on any given day, however the bottom line is that slow play affects not only the players in the tournament, but it also affects the Minnesota PGA Junior Golf Association Staff, the host facility and parents of the players.

- Be ready to play when it is your turn – **PLAY READY GOLF**
- Walk briskly between shots
- Walk directly to your golf ball; do not follow others unless assisting in search for a golf ball
- Don't step off yardage for every single shot; develop an "eye" for distance
- Be efficient with your pre-shot routine
- Play a provisional ball if you think the original ball might be lost outside of a water hazard or out of bounds
- When on the putting green, place your bag in a position that will enable quick movement off the green and towards the next tee
